

An Invitation To Participate

Thursday, 12 November 2009

An invitation to ArSHA members and ASU students to participate in the Channel 8/KAET-TV December pledge drive.

I am searching for a group of ArSHA members and ASU audiology and speech-language pathology students who would like to volunteer a small amount of their time to help with the Channel 8/KAET-TV December pledge drive.

We are scheduled to participate on Wednesday, December 2 from 5:45-10:30 pm at the Tempe Studio on the ASU campus. This is a live event. Groups are typically 10-15 participants. Training, parking, and food are provided within the shift.

Please consider participating in this public service activity to not only support public television but also to raise awareness of audiologists and speech-language pathologists.

Please join us in this venture. Just email me at labrozzik@cox.net to express your desire to participate.

Looking forward to hearing from you,

Karen LaBrozzi

ArSHA Public Relations Chair
