

ArSHA Referral Form for an Augmentative and Alternative Communication Device

Parent instructions: Bring this form to your pediatrician/family physician when requesting a prescription to start the AAC evaluation process. **Once your physician provides the prescription, fax to the selected AAC evaluation agency. (See ArSHA.org AAC Resources tab).**

Instrucciones para los padres: Lleve este formulario a su pediatra / médico de familia cuando solicite una receta para comenzar el proceso de evaluación de AAC. **Una vez que su médico le proporcione la receta, llame la agencia de evaluación de AAC.**

SLP instructions to Physician: The client listed below is minimally verbal and needs a speech generating device. Light tech AAC is not robust enough to meet the client’s communication needs for activities of daily living. An AAC evaluation (CPT Code **92607**) is requested for this patient.

Please send prescription and form to AAC Agency
